Summary of items brought up at the Community & Board Workshops held on
5.b January 15th and January 26th requiring **further consideration and consensus**
amongst Joint Board members:

- ♦ Clarification needed from staff on the height limitation in the clear zone.
- ♦ 5.3.4 (f) (vi): Consideration of definition for 'organic mulch'.
- ♦ 5.3.4 (l): Consideration of using a caliper size for the trees that would be the responsibility of the Village.
- ♦ 5.3.4 (l): Consideration of adding language that Village responsibility would be dependant on available budgetary funds.

Proposed language:

Property owners shall be responsible for the removal of dead and diseased trees, with the exception of trees that have been certified as dead and diseased by a certified arborist and are of a caliber greater than 96 inches which shall be the responsibility of the Village, depending on the availability of budgeted Village funds. If a tree trunk is on both the swale and the adjacent property, the Village shall acquire three (3) quotes and share the cost 50/50 with the adjacent property owner.
